In 1987 Shirley Syptak purchased the original Must Be Heaven restaurant in beautiful, downtown Brenham, Texas from Connie Wilder.

Connie's dream began in 1982 as a small candy and ice cream store offering a limited, but unique, menu of soups and sandwiches.

Shirley provided an experience like no other by serving her customers delicious, mouth-watering soups, salads and sandwiches as well as homemade pies and quiche and fabulous old-time fountain creations; all enjoyed in a unique, quaint and timeless atmosphere.

In 1999, Charlie & Traci Pyle purchased Brenham's Must Be Heaven and began, what continues today, to be a quest for quality, wholesomeness, variety and value.

The beginning of 2004 brought the addition of a permanent Salad & Potato Fixin's Bar serving Brenham's own Brianna's brand salad dressings.

In 2005, a full-service Espresso/Cappuccino bar was added featuring Independence Coffee Co. coffees. Premium beans from around the world are roasted right here in Washington County, brewed daily or sold by the pound.

2006 brought Traci's dream of providing a unique and memorable party occasion for young girls with the start of Heavenly Tea Time at Must Be Heaven.

In 2008, Must Be Heaven / Brenham was selected as the "Best Downtown Business" in the state by The Texas Downtown Association.

Today, Must Be Heaven serves as a 25+ year old refuge for thousands of visitors and local residents alike leaving behind, at least for the moment, the hustle and bustle of today's world.

Yesterday, Today and Always.....

Serving quality with a smile.
